

Sun protection policy

Dear Parents,

Now that the summer term has started we would like to draw your attention to our sun protection policy, which we have developed to ensure that we can all enjoy the sun safely over the coming months.

We actively encourage all children to wear a hat when they play outside. Please send your child to Pre-school wearing a comfortable wide brimmed hat or legionnaire style cap. We have some hats at Pre-school for children who forget their own.

It is beneficial if the children also wear t-shirts with sleeves so that their shoulders are not uncovered. Please don't send children to pre-school in open back shoes such as flip flops, as these are not safe for the pre-school environment.

Please apply sunscreen to your child before they come to Pre-school as we will not be able to apply suncream at pre-school due to the large number of children who stay all day. We ask that you apply "Once a day" type suncream before your child arrives at pre-school to ensure that they are protected for the whole day.

This policy will be displayed on the notice board throughout the summer term.

Your support is very important to ensure that the children are adequately protected from the sun throughout the summer at Pre-school.

Thank you
